## Roland® XR-640™ XF-640™ Versa Express™ VersaCMM VSi™ Series

### RXV ECO Solvent High Performance Inks for Roland® Soljet™ pro 4 series

- Color Compatible with the OEM ECO-SOL MAX 2 inks
- Chemically compatible with OEM ECO-SOL MAX 2 inks
- No flushing or re-profiling required!
- Fast dry times
- Low odor
- Neutral-balanced grey-scale is equal to OEM ECO inks
- Backed by INX Digital's Worldwide Outdoor Durability and Ink Train Warranty for TRIANGLE® brand ink

### Ink Train Warranty

INX Digital offers the most comprehensive warranty in the industry. If inks are proven to be the cause of the printer breakdown during the initial OEM warranty period, then INX Digital will provide parts, service or reimbursement costs required to repair damage to the ink train.\*

\*See warranty disclosure statement for details.

### Outdoor Durability Warranty

INX Digital backs their products with their Worldwide Ink Durability Warranty. INX Digital's TRIANGLE® Inks have been extensively used for many years and exposed to virtually all global and outdoor climates.\*

\*See specific product durability warranty as some vary.

+ Ask a sales representative for INX Digital's complete Worldwide Ink Durability Warranty.

### Bulk Ink System

INX Digital is proud to offer to the wide format printing community a revolutionary bulk ink delivery system, the EasyFill Pro™. The EasyFill Pro™ system will substantially increase and enhance your productivity while reducing your costs. When using EasyFill Pro™ system, you can discontinue use of OEM cartridges, therefore reducing your company's dependency on the OEM. By using our bulk inks you will feel the positive effect in cost savings.

### Sustainability at INX Digital

“Environmental protection is a priority for the conservation of precious natural resources and the continued health of our planet. INX Digital recognizes its responsibility as a global citizen and is continually striving to reduce the environmental impact of the work we do and the products we create. Providing the industry with a digital ink developed from corn derived renewable resources rather than crude based solvents is just one of many steps INX Digital has taken to ensure the longevity of our planet.”

### Spare Parts

INX Digital offers common replacement parts (at a significant savings over the OEM) for many of the printers that it manufactures ink for. These parts are the same parts that are sourced by the manufacturers themselves, refurbished, or are re-sourced to solve known problems.
